

'The Adam Stevens Partnership' Rental Department

Following on from the hugely successful launch of our Bushey Heath office six years ago, we are pleased to announce the expansion of our Lettings division.

We are delighted to welcome on board Leiselle De Napoli to head up our Lettings Department. Leiselle a local Bushey resident herself, has been involved in the Lettings industry for the past 15 years, and brings with her a wealth of knowledge and experience to the Partnership.

We are currently experiencing a strong demand for all types of property to rent, due in part to a declining sales market - remember it's an attractive alternative, and of course you still retain the option to sell at a later date. We would therefore welcome the opportunity to assist you in the rental of your home.

We are experiencing a daily surge in the number of tenants now registering, and would love the chance to meet with you to discuss the rental of your property.

Please call us today without obligation on 020 8950 0220 or 07961 757008 to arrange your free market appraisal, and to receive details of our special introductory offer.
