Adam, thanks for attending the viewings and putting up with 'Webster' the dog! - he is off to the dog minders until after the move!! - peace!!!!

We wish you all the best.

S & T & Webster ☺

Adam, my mother wanted me to thank you for selling Highfield Rd for her.

She was worried that she would not sell before the market turned against her, but was very happy with the way the sale went.

In particular, the professional way in which you efficiently managed the sale. She said that she will be recommending you to her friends in Bushey should needs arise in the future.

I hope that the market treats you well over the next couple of years. The downturn will shake out a lot of Agents and Finance organizations that are poorly managed but the better ones will survive and strengthen, so I expect to see a few more of your branches around in the future!

My best wishes,

D F

Dear Adam & Steve,

Hope our paths may cross again one day - and Steven, if you ever visit your friends in Wadhurst, don't forget I'm a few miles from there at weekends. - Come and visit.

Wishing you both all success in the future.

Dear Adam & Steve & all in the office,

Just to say thank you very much for all the work and perseverance you have all done for us.

Adam

I am delighted that the sale is going through this week and thank you for all your help, especially all the little bits of extra help you gave. Please tell my purchaser's that I hope they will be as happy there as I have been.

Hi Adam

You & Steven are “Streets above” (perhaps that should become your motto!!) every other Agent we dealt with!

Kind regards,

Michael.

Hi,

Just to say that Adam has been absolutely fantastic and extremely easy to deal with regarding the purchase of my house in Bushey.

The attention and care paid is in stark contrast with the agent I used to sell my old property and if anyone asks me who they should deal with in the local area there is no doubt in my mind that I would recommend Adam Stevens without hesitation.

Mr & Mrs A.

We'd just like to thank you both for all your help with this. We were so glad you were our estate agents and we are totally impressed with the way you managed the whole process. We will definitely be in touch as soon as we decide to put the flat back on the market.

Mr & Mr B.

Dear Adam,

Just a short note to express my thanks to you for all your hard work in bringing the sale of my house to Mr & Mrs H to a satisfactory completion.

Being an Estate Agent myself it is rare, these days, that I deal with an efficient agent. Maybe one has to be the boss to be efficient!

Hopefully you are in receipt of your commission cheque from my solicitors.

Thanks again,

Richard.
